

Lutheran Basics Unit Study

These lessons are designed to help you introduce some of the basics of worship in the Lutheran church to your family.

Each reading is short and is great for little one, children who have not yet learned all of the basics about the Lutheran worship service, and older children who need a review so they can explain to friends and family all about what they do in church.

The readings are grouped into readings for each week so that you can schedule the readings into your weekly schedule as it works in your home.
